Ms. Rogow,

Please provide OSC Certification for the direct amount of \$15,753.86.

We need you to certify the direct cost in the attached cost summary, and at a minimum, need to have the following statement in an email. If you have any questions on this - please let us know.

"I certify the services and materials associated with FPN E19902 were authorized by me as removal costs and are proper for payment from the OSLTF. Further, the actions taken were consistent with the NCP."

Thank you for your assistance.
